Do You Know The Number?

You'll save time if you give the operator the out-of-town number you're calling.

That way, she can put your call through without first calling "Information" in the distant city.

Your call goes through faster and you help speed the service for everyone.

BEDROOM FURNITURE

The extra, the plus, the something added is part of all Haddon Hall furnishings, and here is another beautiful reason for Canadian confidence in this well-known label.
